

## **Shining Star Cattle Company 2017 Prospect Calf Offering:**

Calves are located at 9167 Mayo Road, Springville, NY 14141

Please contact Ann or Tyler to schedule a time to view the calves prior to the sale if desired. We will be very flexible to accommodate everyone's busy schedule.

Our sale is operated as a board sale with each calf having a base price. Bidding will begin at 2pm on Saturday, August 5. Bidding in increments of \$50. All bidders intending to bid on any calf on sale day will be required to have a bid in place by 3pm. Currently, we are figuring bidding will be closed around 4pm. Calf with the highest bid will be sold first and move down from there.

Calves will be available beginning September 1st. Calves remaining after September 15th will be charged \$2.50/day room and board. If this timeframe poses a problem, please let us know.

As always, our calves will be vaccinated and boosted with a modified live vaccine, wormed, bvd tested and broke to tie. Bulls will be castrated or left intact for the buyer.

Any heifers eligible for registration can be done so at the buyer's expense. Any heifers with potential TH carrier status can be tested at buyer's expense.

Shining Star Cattle Company reserves the right to one embryo flush (at our expense) on any heifer sold.

Trucking/delivery available at buyer's expense within reasonable travel distance.

Method of payment:

New customers: Cash, money order or certified check

Previous customers: Same as new customers and personal checks accepted.

If you have any questions about the calves or the selling process, don't hesitate to ask.

Thank you for your interest in our cattle!

Good luck! We appreciate your business!
